

St Augustine's Junior

A Message from Mrs Pierce

I hope you all had a good half term break.

We held an open evening for prospective Y2 parents last night and I was very proud of all the children who came back to school to help, especially our House Captains who welcomed parents and children, gave them a guided tour of our school and answered their questions confidently. Their enthusiasm and pride for our school really shone through and they were an absolute credit to us! Many thanks to all parents who allowed us to borrow their children for the evening.

After-school Clubs

There is **NO Gymnastics** club on Monday 6th November - normal service will resume the following week! There will be **NO Musical Theatre** club on Friday 17th November as Classical Reflection is performing with Aled Jones!

'Children in Need The Big Spotacular'

On Friday 17th November we will be supporting 'Children in Need Big Spotacular'. The children are welcome to come to school in their own 'spotty, stripy or yellow clothes' for a suggested donation of £1. Let's have fun and get creative with our outfits! We're also running a raffle to win a hand-knitted Pudsey, kindly donated by Mrs Pierce. Tickets are available to buy at lunch time for 10p per ticket. Good luck!

Christmas Lunch

We will be having our Christmas Lunch on Wednesday 13th December and children will be receiving a copy of the menu next week. As in previous years, as this is an incredibly popular lunch, we do request that orders are placed in advance using the reply slip at the bottom of the menu. If the reply slip is not returned to school before Friday 24th November then a school meal will not be provided to your child on that day.

Next Week's Learning

It has been an exciting week in Lower School! On Monday afternoon, Mr Fulstow and four of our children found an old time capsule buried on the paddock. It was placed there by previous students and contained lots of interesting Ancient Egyptian items! The children spent the whole day on Tuesday investigating the contents. There will be plenty of interesting learning opportunities based around our exciting find over the coming weeks.
