

# St Augustine's Junior

## A Message from Mrs Pierce

The theme of Collective Worships this week has been Agape, our Christian Value of love. We have been reflecting on God's love for us, examples of love in the Bible and our love for each other. Our children often surprise me with their knowledgeable and thoughtful responses in Collective Worship and I have been particularly impressed this week.

## School Council

St Augustine's Junior School will be having a Pyjama Day to raise money for our book bus. It'll be on the 9<sup>th</sup> February. In addition to that we will also be having a toy sale around Easter, so please start to bring in any unwanted toys that are in good condition. Quinn Trethewey - St Luke House Captain

## After-school Clubs - Thursday 18<sup>th</sup> January

As lower school will be on their trip to Woburn Safari Park on Thursday 18<sup>th</sup> January there will be **NO** Gardening Club, Cartoon Club or School Football Club. They will return as normal the following week.

## Poppy Appeal

It is with great pleasure that I can advise you today that the children in our school raised an amazing £204.66 for the Royal British Legion Poppy Appeal.

## Next Week's Learning

w/c 08 Jan	Maths	English
Year 3	During maths lessons, we will be subtracting using formal (column) method and consolidating our learning, before we move on to a focus on multiplication and division.	Next week, the whole of Lower School will be visiting Woburn Safari Park to try to answer our learning question: 'Where should Lions live?'. In English lessons, we will be continuing to read an African short story. We will be learning the story and adding actions, as well as mapping its structure and starting to plan our own narrative text.
Year 4		
Year 5	In maths, Year 5 will be learning mental and formal methods of division and then applying this in different ways.	Both year 5 and 6 will continue to learn how to write a balanced argument and take part in their own debate.
Year 6	Year 6 will apply their learning of mental and formal multiplication to a range of problems and apply mental and written methods of multiplication to SAT style problems.	

### Violin Lessons

We are happy to inform you that we have places available on our Violin lessons in school. The lessons will take place during the school day; each lesson costs £5 including the loan of an instrument for your child to take home for practise. Please contact the school office if your child would like to attend.

### Choir / Singing Club- 'Nene' project

Our singing / choir club will be starting again after school on Wednesday 17<sup>th</sup> January (3.00-4.00pm). The choir has been accepted to participate in a bespoke project called the 'Nene' where the children will join several other children's choirs in a 'Massed Choir' to perform at the Peterborough Cathedral in March (organised by Northampton Music and Performing Arts Trust). Therefore, the singing club through to March will be dedicated to rehearsing this material. We would ask that you please contact the school office to express an interest if your child would like to participate in this event. Your child must be committed to attending every session and the concert at the Cathedral. The singing club will be run by Miss Lees and Mr Robinson; we will update you with full details of the concert once available.
