

St Augustine's Junior

A Message from Mrs Pierce

We have had lots of spotty children in school today - stripey and yellow ones too! Not because of an unusual virus spreading around Woodston, but because of Children In Need! Thank you to everyone who donated money to this very worthwhile cause. We will be sending £228 from St Augustine's to help change the lives of disadvantaged children throughout the UK.

Our Pudsey Raffle Winners - Congratulations!

Music Lessons - spaces available in violin

The music lessons have now all started and many children are enjoying the private fee-paying provision in violin, guitar, piano, saxophone, flute, drumming and singing. We would like to let parents know that there are a few places which have become available in the violin. If you are interested in your child being taught this instrument, please contact the School Office.

Quiz Fundraiser- postponed until Spring 2018

We would like to thank those of you who showed an interest in joining us at the School quiz which was scheduled to take place this evening. Unfortunately, we have had to postpone this event until the New Year as we would welcome even more teams to join in in what is a fun and entertaining evening. We will re-advertise the quiz in January 2018.

Lunchtime Menu

The dinner menu next week is **Week 1**:

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Cheesy potato bake	BBQ chicken	All day brunch	Beef strips and Yorkshire pudding with gravy	Golden fish fingers
Quorn dippers and yoghurt mint dip	Veggie burrito	All day vegetarian brunch	Roasted Quorn fillet with gravy	Cheese & tomato pinwheels
Southern fried Quorn fajitas	Ham baguette	Falafel wrap	Tomato, mozzarella and basil toasted bruschetta	Cheesy scone

Next Week's Learning

w/c 6 Nov	Maths	English
Year 3	We will be learning how to use partitioning to add mentally. We will then be moving on to using formal (column) method to add larger numbers.	We will be finishing off our journalistic recounts (newspaper reports) ready to bring them home to show you over the next couple of weeks.
Year 4		
Year 5	We will be learning mental and formal methods of division and then applying this in different ways.	Both year 5 and 6 will continue to learn how to write a balanced argument and take part in their own debate.
Year 6	We will apply their learning of mental and formal multiplication to a range of problems and apply mental and written methods of multiplication to SAT style problems.

House Points Totals

St John	4584	St Mark	4477
St Luke	3985	St Peter	4038

AJ's Café

This week the AJ's Café opened its doors to **Ross Class**.

Our focus this term is all about 'Maths'. It was lovely to see lots of parents returning to these sessions and a big warm welcome to our new parents. We appreciate you coming along and your feedback.

Ross Class - Parent Feedback:

"Engaging, fun, I now understand the pressure of the 'Beat That Test'! Brilliant presentation of 'big Maths'!"

"I really enjoyed being here and would love to do this again"

"Lovely morning, very friendly and fun!!"

"I really enjoyed math café today. It was amazing! Very informative, fun session. Waiting for next math café! 😊"
