

St Augustine's News

A message from Mrs Pierce

Our Collective Worship theme this week has been "Light". We have reflected on what light means to us as Christians and how we can shine our light to share positivity at home, in school and in the wider community.

KINGSWOOD

We were overwhelmed by the popularity of this residential trip for Lower School and after many discussions and lengthy negotiations with both the Kingswood Centre and coach company we are delighted to report that we have been able to increase the number of spaces available. All of the children that have a place have now been notified and initial deposits should all be in by the end of this week. We will still be running a waiting list and so it is important to have those deposits in to secure your child's place.

SCHOOL PHOTOGRAPHS

Just a quick reminder that our individual school photographs are being taken on Monday 19th October. Parents that have more than one child at the school, or children at both our school & Brewsters will be able to have sibling photos taken in the New Hall before school starts from 8am. It is our understanding that Brewsters are having their photographs taken on Friday 16th October so should the Friday be more convenient for you you will also have the opportunity to have your sibling photos taken then.

HEALTHY EATING

St. Augustine's has a 'Healthy School' award and we would like to remind all parents to support our children in eating healthily. Increasing numbers of children are bringing fizzy drinks, chocolate bars and sweets as part of their lunch - these items are NOT appropriate and are NOT allowed. As a school, we do not want to have to confiscate food from children and will be monitoring this very closely. The parents of children who persistently bring in these items will be contacted.

PARENTS' EVENING

A reminder that Autumn term Parents' Evenings will be held on 20th and 21st October. Further information and details will be sent to you next week. If you are unable to attend these, please contact your child's class teacher and they will be more than happy to book you a more convenient time.

EMERGENCY CONTACT DETAILS

Can we please remind everybody how important it is that we have the correct contact details for you all at all times. Any changes to these details should be put in writing and handed into the school office to enable us to keep your child's records up to date. This information includes your home telephone number, mobile telephone number, e-mail address, emergency contacts and house address. We are only too happy to check your information if you are unsure as to whether or not you have notified us of any changes.
