

St Augustine's Junior

A Message From Mrs Pierce

We have had another busy week in school. Miss Lees and I took the "Even You Song" choir to Peterborough Cathedral on Tuesday. After many hours of rehearsals, they had the chance to rehearse alongside other school choirs and also took part in a range of workshops related to the event. Their behaviour was excellent and we now look forward to the final performance on February 16th.

Upper school children had a fabulous time at 'Hamerton Zoo' on Wednesday, despite the rain, and many saw for the first time the real life tigers they've been learning about this term. Many thanks to the upper school team who organised this wonderful opportunity; I am really looking forward to reading the wonderful writing which I'm sure will result.

Inter-faith Week

This week has been an exciting week of learning at St Augustine's Junior. All classes have been immersed in learning about different world religions such as Buddhism, Sikhism, Islam and Judaism. Children have been creating artefacts, learning about prayers, beliefs and stories that teach the values of this religion. The children have shared their learning with each other by going to different classrooms and giving a presentation. Overall, it has been a great interfaith celebration helping teach our children to understand different ways of believing.

Reading at home

Your child will be coming home today with a new bookmark with some reading prompts on it. This has been created for when you read at home with your child. It includes the types of questions you can ask your child while they are reading and will also help them to develop the skills they are taught during reading sessions at school.

St. AJ's Café

On the subject of reading, our Story Café continued this week with Miss Wilkinson's Glennie Class. We are so pleased with the amount of positive feedback we are receiving week on week and hope that this positivity filters to the parents as we love to see as many of you as possible joining us on a Tuesday morning. There were many wonderful comments received from parents: 'Enjoyed interacting with the children. Loved glue and sparkles!'; 'Friendly environment and the pupils looked happy and ready to learn. Well done teachers!'. Next week it is the turn of Mr Rocchio's Attenborough Class on Tuesday 7th.

Upper School Hamerton Zoo Trip

Upper school enjoyed a fantastic trip to Hamerton Zoo on Wednesday despite the pouring rain. It was an action-packed day from the moment we arrived. The children got to look around the zoo and take part in a workshop where they learnt about the art of camouflage and were even lucky enough to handle animals such as stick insects and lizards. The most memorable part of the trip was definitely coming face to face with the fascinating tigers they have been learning so much about through our current topic.

Library Bus Fundraising- School Quiz

As a reminder, the school will be hosting a quiz on Friday 31st March at 7.00pm as the grand launch to the school's fundraising campaign to have a library bus on the school grounds. Please start gathering your teams of up to 6 people as we imagine the event will be extremely popular. We will be sending out a separate letter explaining how you can buy tickets- a light supper will be on offer and we will be running a raffle to boost the fundraising effort. As always, any donations are welcome. The event is being hosted by Steve Cutts and will surely be a memorable and enjoyable evening for all.

'EvenYouSong' Project

As mentioned in the Headteacher's message home, 26 of our children visited the cathedral for a day of workshops as part of the 'EvenYouSong' project. This project is bespoke to Peterborough and has involved several local artists composing a unique 'EvenSong' piece to perform to the people of Peterborough. The workshops for the children involved badge making, libretto writing and investigating the science behind how a one octave organ actually works! The day culminated in a full rehearsal in the cathedral with the other schools participating and the children performed wonderfully. The children will receive an 'Arts Award Discover' for their participation.

If you would like to see the children performing, tickets are available from the Peterborough Information Centre. The 'EvenYouSong' takes place at the cathedral on 16th February from 6.30-7.30pm.
