St Augustine's Junior

A Message from Mrs Pierce

Year 5 returned from Caythorpe on Wednesday tired but happy - as did Mr Rocchio, Mr Corbino and Mrs Massey. A huge thank you to them.

And huge congratulations to Year 6 who survived the SATs this week!! Whatever the results, we are all proud of the resilience and determination you showed. You really did embrace challenge and strive to achieve your best.

A Message from School Council

Don't forget that on Monday we are celebrating St Augustine's Day, so we are all coming to school in our house colours. It doesn't have to be your house t-shirt (you can still wear it, if you want to) it can be your own clothes, as long as it is your house colour.

The Book Fair

The Book Fair is running after school today and Monday. Children will also be able to visit the book fair during the school day on Monday, if they would like to bring some money into school to buy a book. It will also be open during lunchtime on Grandparents' Day. Please ensure any money bought into school is in an envelope or wallet, clearly labelled with your child's name to reduce the chance of it being lost.

St A's Café

Please note we have re-scheduled **Simmonds** St A's Café from Tuesday 5th June to Tuesday 3rd July. We will add a reminder to the newsletter closer to the date.

Bingo

Don't forget to purchase your tickets for our Bingo event taking place on Tuesday 22nd May.

Once again we would like to open this event up to the children and any parents that wish to accompany them. Tickets are available from the school office now and cost £2 each. Come and join in the fun!

Spelling Bee Sponsor Money

Another massive well done to all of the children for doing amazingly well with the Spelling Bee last week.

Can we take this opportunity to remind you to send any outstanding sponsor money into the school office as soon as possible. Thank you.

Next Week's Learning

w/c 21 st May	Maths	Literacy
Year 3	In maths, we will continue our work on fractions. The children have had fun this week using pool noodles and coloured paper to build equivalent fraction walls! We will continue to apply our understanding of place value, multiplication and division to help us with this maths topic.	Next week, the children will be completing their poetry which they have written using their experiences from our trip to the Nene Valley Railway. They will also be enjoying a transport themed morning; watching a BMX stunt rider in the 'Big pedal show' which Brewster Avenue have kindly invited us to.
Year 4		
Year 5	In upper school children will be focussing their attention on art. Next week is a celebration of art produced by various famous artists. The artist and artwork that will be taught will be Monet, Seurat, Van Gogh and Warhol. Children will then have the opportunity to create their own artwork, in the style of their chosen artist.
