

St Augustine's Junior

A Message from Mrs Pierce

It has been great to see so many children cycling, scooting and skateboarding to school this week and last week. With a bit of luck, the good weather will continue, and our bike sheds and scooter pod will remain full long after "Big Pedal" fortnight has finished.

With 4 days left until SATs, next week will be a busy one for Y6 as they revise their socks off! It will also mark the end of tuition for 25 Y6s, who have come into school at 8.15am 4 days a week since Christmas to do extra work! A huge well done to you all for striving to achieve your best - and a massive thank you to all our wonderful staff who have freely given up their very valuable time to ensure that everyone can do their very best in SATs week.

Finally, I hope you all enjoy a sunny long bank holiday weekend!

A Note from School Council

On Monday the 21st May it is St Augustines Day, the school council would like everyone to come to school in their house colour or house t-shirt on that day. We will be organizing some events at school on that day. Thank you - Neve T - Attenborough School Council

Holiday Clubs Summer Half-Term

Daniella Fasulo is running her very popular 'Dance No End' Holiday Club on Tuesday 29th May, at a charge of £10 per child. Flyers will be sent home with your child in due course. If you are interested in booking a place for your child, please do so before Tuesday 22nd May as places are limited. You will need to complete the booking slip and return with payment to the School Office.

Just So Sports is also running a half-term club Wednesday 30th, Thursday 31st and Friday 1st June- places are offered at a daily charge of £12 per child or £30 for the full 3 days. Again, flyers will be sent home with your child and if you want to book a place, please bring the completed slip and payment to the School Office.

Singing/ Choir Club

Mr Robinson and Miss Lees are running the school choir club again this term and would welcome new children to the after-school club on a Wednesday. The children have started learning songs from the 'Greatest Showman' and will be singing favourites by 'Abba' and from 'Disney'. If your child would like to join, please inform the School Office.

SATs Week (14th-18th May

Year 6 children are invited into school during the week of SATs to have breakfast in the hall. If your child would like to benefit from this provision which is free of charge, please ensure that he/she brings in the reply slip to school so that the school caterers can prepare in advance.

Next Week's Learning

w/c 7 th May	Maths	Literacy
Year 3	In maths, we will be working on understanding fractions and will be applying our understanding of place value, multiplication and division to do this.	Next week, the children will be continuing our topic: How have developments in transport changed Peterborough?. They will be moving on to learning about trains; which will link nicely to our trip to the Nene Valley Railway on Wednesday. For homework, we have asked the children to think about destinations that can be reached by Peterborough trains. This will help us when we start to write a railway themed poem.
Year 4		
Year 5	In maths, Year 5 will be applying their understanding of time in order to answer word problems and read timetables.	In literacy, the children will continue to edit and improve their non-chronological reports about Ancient Greece.
Year 6	Year 6 will spend the week preparing for their SATs tests. We will be focussing on a different subject each day where the children will get the chance to revise and go through any areas they need more practice with.

AJ's Café

This week the AJ's Café opened its doors to **Welby Class**.

Our focus this term is all about 'Maths'. It was lovely to see lots of parents returning to these sessions and a big warm welcome to our new parents. We appreciate you coming along and your feedback.

Welby Class - Parent Feedback:

"As always it was so much fun. I love how varied the mornings are. It's just such a special experience to at school with my child and his friends. Thank you."

"I have really enjoyed today's café. It brought back memories of doing fractions/angles at school many years ago!"

"Great to work with the children on their maths. Interesting to see what they are learning in class. I would like to see more information on SAFE!"
