

St Augustine's Junior

A Message from Mrs Pierce

Yesterday was a busy day!

It was great to see Book Day costumes finally coming out of the wardrobe for our "Secret Garden" performance yesterday morning, which was very well received by the whole school.

Then, in the afternoon, twenty-one children from across our school attended a Children's University Graduation Ceremony at Peterborough Cathedral. Many congratulations to you all! Your commitment to extra-curricular learning is truly commendable. Many thanks to Miss Downs who oversees our Children's University work so well, and Mrs Massey and Miss Smith who accompanied you to the ceremony.

Foundation Governors

We currently have opportunities for Foundation Governors to join the school's team of Governors.

Foundation governors make a significant and positive contribution to the running of the school, working as a team to support the Head teacher and staff to make continuous improvements to all aspects of school life. Anyone interested should be a regular church-goer and be confident in helping to embed the Christian faith and values into daily life at the school.

Being a governor involves some degree of regular, though not frequent commitment, and governors need to commit to a minimum of two school visits and attend various meetings on school premises per term. It is also rewarding and enjoyable from both a spiritual and social aspect, and will bring you into contact with many different people and situations.

If you are interested in supporting our school and would like to find out more, please contact the school office on 01733 563566.
