

St Augustine's Junior

A Message from Mrs Pierce

A huge thank you to everyone who supported our Eco Fete yesterday. We were overwhelmed by your many kind donations, and thrilled to see lots of you attend. Special thanks go to Mr Wiseman, and Tesco's, who donated lots of cakes and flowers for us to sell, and Mrs Grange who co ordinated the whole event. We are looking forward to our 3 transition days next week, when our current Y3,4 and 5 children will meet their new teachers and will spend Wednesday, Thursday and Friday with their new class. We will also be welcoming Y2 children, and their parents, to St Augustine's. I'm sure that everyone will have a great time.

Warmer weather

Can we remind parents to send your child to school with a hat & suncream, particularly while we are experiencing this much warmer weather. Also, if your child brings a pack lunch to school we recommended you add an ice pack to keep their lunch fresh, alternatively you could freeze their yogurt or drink carton and add that to their lunch box.

St Augustine's Got Talent

Last week we held our very own St Augustine's Talent contest where some of our children showcased their talents to the whole school. We definitely have some incredibly talented children here at St Augustine's. It was a very close run contest and all of the children did exceptionally well. A huge well done to our winners and to everyone that entered. Here are our Winners:

- 1st - Anjum Islam
- 2nd - Andriana Ruda
- 3rd - Daniel Orton

Year 6 Transition

Can I please remind the year 6 parents to check which days the transition days are for their secondary school as they are all slightly different depending on which school your child is going to. We also need to remind you that on the day/days of the transition visits, your child must go straight to their new school and not come to St Augustine's first.

Next Week's Learning

w/c 24 th June	Maths	Literacy
Year 3	Next week in Lower School, we will be continuing maths topic of measures and our english work based around Aaron Becker's book: The Journey. On Wednesday, Thursday and Friday, the children will be experiencing their new year 4 and 5 classes.	
Year 4		
Year 5	Year 5 children will continue their work on persuasion next week and begin to prepare for our Ancient Greek Olympic event whilst the year 6 pupils will be busy rehearsing for the production. All the children will then participate in transition days on Wednesday, Thursday and Friday where they will be spending time with their new classes.	
Year 6

House Points Totals

St John 5228	St Mark 5396
St Luke 5036	St Peter 4689

AJ's Café

This week the AJ's Café opened its doors to **Murray Class**.

Our focus this term is all about 'Maths'. It was lovely to see lots of parents returning to these sessions and a big warm welcome to our new parents. We appreciate you coming along and your feedback.

Murray Class - Parent Feedback:

I have enjoyed spending the time with my daughter. It was fun.

Thank you for the effort. We really enjoyed it. I found the topic broad, but very useful. Many thanks.

We enjoyed making 3-D shapes using playdough.
