

St Augustine's Junior

A Message from Mrs Pierce

We have been learning how to keep our bodies and minds healthy in "Well-being Week" this week, further details below. This has been a great way to kick off our final half-term - many thanks to Mrs Grange and Mr Corbino who have organised a wonderful week.

As I write this, I am looking forward to attending the Country Dancing Festival with our dancers on Thursday evening. It is always a great event and I thoroughly enjoy watching schools from all over Peterborough dance together. A big "thank you" to Mrs Brattan, Mrs Grange and Mrs Massey who have been rehearsing all term with our country dancers.

Well-Being Week

On Thursday we had a fantastic day trying different Well-Being activities as part of our Well-Being Week. The children had the chance to try: Clubercise, Samba Drumming, Singing, Creating Prayer Bracelets, Tai Chi, Laughter Yoga, Mindfulness Activities, Zumba, Field Games and Stress Management. It was a wonderful day of new experiences showing the children ways to look after their bodies and minds.

Do you have a Talent?

Miss Downs is looking for parents/carers who have a 'talent' e.g. knitting, sewing, other arts & crafts activities, creative writing, music or similar, who would be willing to come into school and share their talent with the children. If you do, please can you speak to Miss Downs; she will be available most days after school or send a short note in with your child and she can contact you directly.

St. Augustine's Eco Fete Thursday 28th June

St. Augustine's Eco Fete will take place on Thursday 28th of June in the school grounds. Highlights will include performances from our country dancing troop and choir, a 'bling it' parade of bikes and scooters plus cake and bric-a-brac stalls, a raffle and tombola. However, we do still need help from parents! We are currently looking for an experienced face-painter, raffle prizes plus adults to help on the day. If you can assist please contact the school office.

Secret Garden Thursday 14th June- World Book Celebration

As you may remember, the 'World Book' Day celebration did not take place in March as the school was closed due to snow! Therefore, we will be celebrating this special day on Thursday 14th June and are inviting all children to come into school dressed as their favourite book character. The school has invited M&M productions to come into school to perform the enchanting story of 'The Secret Garden' for the children, to further enhance their enjoyment of the day. We are asking parents and carers for a contribution of **£3.00 per child** to put towards the cost of the production. We appreciate your support on this and your commitment and generosity makes it possible for us to enhance your child's learning. The school is committed to subsidising this event so that the magic of reading comes to life for the children. Please send in the money to the school office in a sealed envelope marked with your child's name and named as a contribution to the Secret Garden production.

Race for Life

Just a reminder to send in your permission slips if your child would like to take part in the 'Race for Life' challenge on Friday 22nd June. If you haven't received a copy of the letter, further copies are available from the school office.

Lunch Money

Please make sure that any dinner money outstanding is settled at the School Office- statements are regularly sent home if money is owed to school. We would kindly ask all Year 6 parents to make sure that the dinner money balance is paid promptly as your child will be leaving the school at the end of term, and we need all outstanding balances to be settled.

Next Week's Learning

w/c 11 th June	Maths	Literacy
Year 3	In maths, we will be finishing our work on fractions and moving on to looking at data handling. In order to do this, we will be completing a traffic survey in our local area during a maths lesson. The children will then learn how to analyse, answer questions about and present our data.	Next week in Lower School we will be looking at the picture book 'Journey' by Aaron Becker. The book tells the story of a girl's travels, adventure and imagination. Using the book, we will be writing setting and character descriptions over the next couple of weeks.
Year 4		
Year 5	Year 5 will be learning about measures and conversions during maths.	The whole of upper school will be learning the features of persuasion next week in literacy. They will be given the chance to practice the skills before applying them to persuasive posters to promote the production and the Olympics that year 5 will be organising in a few weeks.
Year 6	Will spend a large proportion of their week rehearsing for their end of year production.	

Lunchtime Menu

The dinner menu next week is **Week 2**:

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Southern style burger in a bap	Buttermilk chicken with roasted pepper rice or brown rice	Beef chunky chilli taco with new potatoes	Roast chicken with gravy and crispy roast potatoes or mashed potatoes	Golden fish fingers with chips
Mac 'n' cheese with garlic bread	Veggie sausage pasta with cheesy focaccia	Summer frittata and new potatoes	Roasted Quorn fillet with crispy roast potatoes or mashed potatoes	Bagel pizza with chips
Jacket potato with roasted vegetables in a tomato sauce topped with cheese	Fish finger roll	Ready to go picnic Cheese sandwich, veggie sticks, fruit, biscuit and fruit juice	Tuna melt roll	BLT sandwich
