St Augustine's Junior

A Message from Mrs Pierce

I can hardly believe that we are entering our last full week of the year, and what a busy week it is going to be! We still have many celebrations, House treat, bingo and disco to look forward to.

Y6 entertained us with a wonderful production this week, I was blown away with their talent and enthusiasm - well done all of you.

If you have not yet had chance to meet with your child's new teacher for next year, they will be in their new classrooms from 3-4pm next Thursday, 19th July. Please drop in if you can and have a chat; they would be delighted to meet you.

Next Week's Learning

w/c 16 th July	Maths	Literacy
Year 3	Next week in Lower School, we will be finishing off our maths unit on measures. We will also be taking part in our very first 'writing week', which will encourage the children to write in a variety of different styles in reaction to a stimulus. This will be a great chance for children to show off all of the writing skills they have learnt this year. In topic lessons, we will be finishing off our Peterborough transport topic by answering the question: How has transport changed Peterborough?	
Year 4		
Year 5	We have got a lot of exciting events going on in upper school next week. We will be hosting our Wimbledon final and year 5 will be putting on an ancient Olympic event for the year 6's on Thursday afternoon. We would love all the children to dress up for this event so ask that all children bring an ancient Greek outfit to change into ready for the afternoon. Year 6 also have their leavers party on Thursday from 4-5:30pm (further details about the event will be sent out on Monday)	
Year 6		

School Lunches

We are currently in the process of introducing a new catering supplier to the school, which means that as from September we will be offering an exciting new menu to the children. The introduction of a new supplier also means that we will also be able to offer online payments and ordering of meals in advance. As we go through the introduction process in school, we will forward more details onto you. Please keep your eyes peeled for updates and information on how to register for the online service!

School Lunches Cont.

Looking ahead to our online payment facility can we please ask that if you owe any outstanding balances to school for dinners that you settle your account before the end of term on Tuesday 24th July. We are not able to roll over any outstanding balances to the new system and so it is vitally important that all money is received as soon as possible. In particular, our Year 6 children must ensure they do not owe any money before moving onto their secondary school.

BINGO

Our final BINGO session of the school year will take place on Tuesday 17th July - tickets are now available from the school office for £2. Children are welcome to attend on their own or alternatively families are also welcome to join in the fun and excitement!

Maths Challenge

On Thursday afternoon Miss Wilkinson and Mrs Dines accompanied some of our children to the Kings School for their annual Maths competition.

Well Done Mode, Amy and Darren for representing St Augustine's!

Lunchtime Menu

The dinner menu next week is **Week 1**:

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY

House Points Totals

St John 5817 St Mark 6043

St Luke 5769 St Peter 5215

Attendance Award

This week's winners of our attendance award are the very well deserving **Newton Class** with an impressive **98.85%** attendance. Keep up the good work!

Golden Pen Award

Golden Pen Awards were handed out to Amy and Scarlett in our Celebration Assembly this morning - Well Done girls!

St A's Café

This week the St A's Café opened its doors to **Simmonds Class**.

Our focus this term is all about 'Maths'. It was lovely to see lots of parents returning to these sessions and a big warm welcome to our new parents. We appreciate you coming along and your feedback.

Simmonds Class – Parent Feedback:

It was really fun to see how my daughter works out her maths and how she tries to solve a problem. I really enjoyed spending time with her and I can help her at home.

Another amazing café learning with my child in such a fun way. I loved watching all the children working together and helping each other to find their shapes.

I have enjoyed doing maths and learning to make different 3D shapes

St A's Café is now closed for the Summer break. Thank you everyone for supporting us throughout the school year and for your positive feedback, we look forward to inviting you and all of our new parents to join us again in September.
