

# St Augustine's Junior

## A Message from Mrs Pierce

We are short of games for the children to use during indoor break and lunch times, so if you are having a pre-Christmas sort out of toys over half term, we would be grateful for any games you may be able to donate to us.

Our very popular mud kitchen could also do with some equipment. If you have any spare kitchen utensils, bowls, pots or pans, we would be very happy to have them.

Thank you very much.

## Children in Need

I am sure you are aware that it is the Children in Need fundraising event on November 16<sup>th</sup> and we are planning a few exiting activities in school. In preparation for this we will be selling Pudsey Wrist Bands & Pin Badges in school after the half-term holiday. These will be available to buy during morning break and will cost £1 each and all proceeds will be going to our charity total!

## After School Clubs

Due to Parents Evening taking place next week, none of our teacher led after school clubs will be running. The following clubs will be available as usual- Gymnastics, Street Dance, Just do Sports - Football & Recorder.

## Parents Evening

Hopefully you will all have your parents evening appointments booked in and we look forward to seeing you all over the two evenings. If you have the chance, during your visit, please look into the Ely (Old) Hall for a special taster of our new school meal menu and also to get any assistance you may need to register on the Select online ordering & payment system.

## Calendar Dates

15<sup>th</sup> Oct - Maths Week

15<sup>th</sup> Oct - School Photographs

16<sup>th</sup> Oct - Ross Café @9.15am

18<sup>th</sup> Oct - Parents Evening 4-6.30pm

19<sup>th</sup> Oct - Last day of term

31<sup>st</sup> Oct - Children return

## Next Week's Learning

w/c 15 <sup>th</sup> Oct	Maths	Literacy
Year 3	Next week in Lower School, we will be taking part in 'maths week'. Each class (across the school) has been assigned a times table to write a song about and these will be performed in our Friday celebration assembly. The children will also be completing some fun, topic themed maths lessons about WW1. They will be learning about morse code, practising coordinates by playing battleships and learning about the timeline of the war.	In English, the children will be learning about the emotions soldiers would have felt during the war, they will then be using this to write their diary entry as a WW1 soldier. Their diary entry will then be included in their World War One topic books.
Year 4		
Year 5	The whole of upper school will be taking part in 'Maths Week' next week which will include a number of maths related activities. They will start the week off by learning about a famous mathematician and end it by performing their class timetable song.	In addition to maths week, year 6 will also be sitting their first set of practice SATs so the children have been asked to use their study books to help them revise this week as their homework task.  Please note: there are no spellings this week for upper school but they will resume again after the half term.
Year 6		

## AJ's Café

AJ's Café has opened its doors to **Welby** Class this week.

Our focus this term is all about '**Internet Safety**'. It's lovely to see lots of parents returning to these sessions and a big warm welcome to our new parents. We appreciate you coming along and your feedback.

*"I have enjoyed coming to the café and spending time with my child and learning what she is doing in school"*

*"Useful information to use at home"*

*"Brilliant ideas of teaching, as always"*
