

St Augustine's Junior

A Message from Mrs Pierce

It was wonderful to see so many of you at Parents' Evenings this week. If you were unable to attend, it's not too late to give the school office a ring and make an appointment with your child's class teacher.

A huge thank you to all Y3 parents who filled in and returned a parent survey for us - the responses have been overwhelmingly positive and I am very happy that Y3 have transitioned so well to St Augustine's.

I wish you all a peaceful and relaxing half term break.

School Dinners

It was so nice to see so many of you enjoying the food on offer during the parents evening this week. I would like to thank our school cook, Alice, for preparing and serving such a huge variety of dishes for you all to sample.

As you know, our school meals are all ordered via the online system called Select. Once you have registered your account and purchased meal credits you are able to order your child a school meal up to 9am on the same day. An iPad is available in the school office for those mornings that you may be short of time! Please speak to the school office with any questions you may have regarding school meals.

Lost Property

As you will see from the pictures shown, there was an extremely high volume of lost property on display during the parents evenings this week. I am pleased to say that a few items were able to be returned to their rightful owners but we still have two full baskets remaining! Included in this mountain are some jumpers and cardigans that look almost brand new; it is sad to see that none of them are named. Can you please ensure your child's school uniform is clearly labelled.

Year 5 Swimming

Year 5 swimming is due to start on Wednesday 7th November. Letters will be sent home after half term giving you full details of this.

Calendar Dates

31st Oct - Children return

1st Nov - Family Cookery starts

6th Nov - Y2 Open evening 6pm

7th Nov - Year 5 swimming starts

7th Nov - Aylmerton Info meeting for Parents - 3pm

8th Nov - Farah Class worship in school - 10.15am

8th Nov - Family cookery (wk 2)

9th Nov - Y5 at WW1 Singing Day (the Cresset)

Next Week's Learning

w/c 29 th Oct	Maths	Literacy
Year 3	In maths, the children will continue to learn mental methods of addition and subtraction. They will complete fluency questions to practise the methods they have been taught and will then apply this knowledge to solve real life maths problems.	After half term, the children will be learning about the role of animals in World War One. They will find facts about how these animals supported our soldiers in the war effort. Once they have learnt lots of facts about them, they will start looking at how they could present their information as a non-chronological report.
Year 4		

AJ's Café

AJ's Café has opened its doors to **Ross** Class this week.

Our focus this term is all about '**Internet Safety**'. It's lovely to see lots of parents returning to these sessions and a big warm welcome to our new parents. We appreciate you coming along and your feedback.

"I enjoyed the café and I enjoyed joining in with all the activities with my child and the other kids. I will be coming to the next café."

"Another lovely café and very important information shared with the children"

"Good interactive session. Love spending time with the children learning about Internet Safety. Good topic for the kids."
