

# St Augustine's Junior

## A Message from Mrs Pierce

What happened to the snow we were promised? I spoke to lots of disappointed children - and relieved parents this morning when the forecasted snow did not appear.

For future reference, if we do have a heavy fall of snow, which makes the school site unsafe, or prevents staff from being able to get to school, we will communicate this to parents through our website and put a message on the school office answerphone. We will also let Heart FM and Cambridgeshire Radio know so they can broadcast our closure.

## Photograph Permissions Form

Many thanks to you all for returning your completed photograph permission forms - there are still a few of you that are yet to do so but I am sure it is on your agenda! As you will see on the calendar dates below our class photos will be taken on 28<sup>th</sup> February. If we have not received express permission that your child can be included in these photographs via these permission forms, then they will not be able to be included. This is in accordance with the new GDPR guidelines and the photo proof being sent home to the whole class.

## Parents Evening

Letters have been sent home to allow you to book your appointments for Parents Evening. Please ensure you return the request sheet back to school as soon as possible to ensure that you receive your preferred time slot. If you require another copy of the letter, then please speak to the school office.

## Next Week's Learning

w/c 04 <sup>th</sup> Feb	Maths	Literacy
Year 3	Next week, the children will be finishing their work on division and revising all of their written and mental methods of calculation in preparation for their termly tests taking place during the week of 11th February.	In English, the children will be looking at different types of sentence structures and focussing on the use of commas. They will then apply this when writing their own description of their class Bronze Age Settlement.
Year 4		
Year 5	Year 5 will be learning how to add, subtract, multiply and divide fractions and will then apply these skills to different problems.	In English all the children will be writing their final information text about the unusual creature they created themselves. This will involve them using all the skills we have learnt this week about how to vary our sentence structure.
Year 6	In Maths, Year 6 will be applying their knowledge of calculating fractions and also finding fractions and percentages of different quantities.	

## AJ's Café

AJ's Café has opened its doors to **Ross Class** this week.

Our focus this term is all about '**Vocabulary**'. It was lovely to see many parents returning to these sessions. We appreciate you coming along and your feedback.

*"I loved today's café had a lot of fun with all the children on our table. Love seeing the children enjoying their learning"*

*"Had a great time very interesting. I know how to help with simple things at home (describing posters)"*

*"Really happy on the topic chosen. Enjoyed the café with my child"*
