

# St Augustine's Junior

## A Message from Mrs Pierce

I had the privilege of attending Peterborough Cathedral yesterday with 29 of our Children's University graduates who were rewarded for their many hours of extra - curricular learning. I was very proud of them all. Many thanks to Mrs Massey who accompanied us, and Mrs Richardson who works so hard to ensure that our children achieve so well in Children's University.

As I write this, I am looking forward to welcoming over 50 dads and "special people" to Fathers' Day lunch and am praying for sunshine! I am sure that, whatever the weather, our children (and their dads) will have a great time.

## Gurdwara & Museum Trip

Last week Year 4 and Year 3 enjoyed a trip to a special place of worship. The Gurdwara provided the children with an opportunity to learn about

Sikhism with hands-on activities. All the children were buzzing about how interesting the experience was. The men and ladies at the Gurdwara were warm and welcoming and the children were respectful and engaged too.

This week, Year 4 had another exciting opportunity to learn at the Peterborough Museum. Children were dressed as slaves and prepared a meal for a special guest. Afterwards the children created their own clay mask. After lunch, they met a Roman soldier and had a chance to be soldiers themselves. The children ended the exciting day by being archeologists.

## Calendar Dates

- 14<sup>th</sup> Jun - Science Exhibition - New Hall at 3pm
- 18<sup>th</sup> Jun - Attenborough Café at 9.15am
- 19<sup>th</sup> Jun - Y3 Museum Trip

- 10<sup>th</sup> Jul - Y6 Show performance
- 11<sup>th</sup> Jul - Y6 Show - matinee & evening performance
- 11<sup>th</sup> Jul - Glennie Class worship (in church)

## Next Week's Learning

w/c 17 <sup>th</sup> June	Maths	Literacy
Year 3	In maths, the children will be completing activities based around their knowledge of 2D or 3D shapes.	Next week, the children will continue to gather information for their Roman stories. They will look at the WAGOLL and learn some of the skills that they will need to describe their characters and settings.
Year 4		
Year 5	Year 5 will continue to learn the rules of angles and how to calculate them, as well as learning about parallel and perpendicular lines within a shape.	Both year 5 and 6 will be editing and improving their final version of their fictional biographies in English.  Year 6 will spend a lot of their week rehearsing for the end of year production. If all children can make sure they know all their lines that would be helpful, as we are not allowing scripts during rehearsals next week.
Year 6		

## AJ's Café

AJ's Café has opened its doors to **Newton Class** this week.

Our focus this term is all about '**Outdoor Learning**'. It was lovely to see many parents returning to these sessions. We appreciate you coming along and your feedback.

*"Brilliant as always. Really enjoyed spending time outside as well. Had lots of fun in a relaxed environment"*

*"Enjoyed spending time with my nephew"*

*"I really enjoyed the café, it was very educational"*
