Admissions Policy for admission in academic year 2020-2021

St. Augustine's Church of England (VA) Junior School provides for the needs of children within the 7 to 11 age range.

In a Voluntary Aided School the Governing Body is responsible for the admission of children to the school and all matters concerning pupil admissions. This policy was last determined by the Governing Body on 14th March 2019 for 2020-21 admissions. Should you have any queries relating to this policy you should contact James Fordham - Chair of the Governing Body, via the school office.

The Governing Body will admit up to 60 children into any year group.

The Governing Body is the admissions authority for the School; this means the Governing Body set and apply the admissions policy for our School. All decisions regarding the admission of children into our School are made by the Governing Body. Peterborough City Council is responsible for co-ordinating all applications for places in the school.

St Augustine's School serves children living in the vicinity of the school, children from the Parishes of Woodston and Fletton and also welcomes those from a wider area on religious grounds. The Governing Body will give priority to children with a Statement of Special Educational Needs (SEN) or Education, Health and Care Plan (EHCP) issued by a Local Authority, where the school is named as the most appropriate setting for the child.

Applying for a place in Year 3 - (transfer from Infant to Junior)

The application process for pupils transitioning from Year 2 into Year 3 must be made online at <https://admissions.peterborough.gov.uk> or by completing and submitting a Peterborough Application Form, which is available on request from the Local Authority Admissions Team. Applications should be made no later than the national closing date of 15th January 2020. Offer letters will be issued by the Local Authority on the national primary offer date 16th April (or next working day where this is a weekend or bank holiday).

Our school warmly welcome and encourage all parent(s)/ legal guardian(s) wishing to visit the school to do so prior to submitting an application; please contact our school direct on 01733 563566 to arrange your visit. **Please note:** Visits are not interviews and do not affect any decision regarding the availability of a place.

Alternatively, we hold an open evening at school for Year 2 pupils and parent(s)/ legal guardian(s), usually held in early November (please see school website for date).

For conditions relating to applications, please refer to Peterborough City Council's Admissions Information Booklet which can be found at www.peterborough.gov.uk/admissions.

Late applications will be handled by the Local Authority Admissions Team*; full details of how a late application will be processed can be found at www.peterborough.gov.uk/admissions.

*Late applications are all those received after the National Closing Date but before the 31st August in the offer year.

Admissions Oversubscription Criteria

When the number of applications received exceeds the Published Admission Number (PAN) of 60, after the admission of children with a Statement of Special Educational Needs (SEN) or Education, Health and Care Plan (EHCP) issued by a Local Authority, where the school is named as the most appropriate setting for the child, pupils will be allocated a place according to the following oversubscription criteria in this order of priority.

1. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, care arrangement order, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).
2. Children of parent(s)/legal guardian(s) who regularly worship at St Augustine's Church Woodston or its Sister Church, St Margaret's in Fletton. Written supporting evidence from the member of the clergy in post at the church, or in a period of vacancy from a churchwarden, must be attached to the application form if requested under this criterion.
3. Children of parent(s)/legal guardian(s) who worship at other Christian Churches (accompanied by written supporting evidence the accredited lead minister/ pastor/ official of the worshipping community) who are in association with 'Churches Together in England' or who fall within the definition of Christian denominations advised by the Catholic Education Service.
4. Siblings of children who are already registered on the school roll at the time of admission. By sibling we mean a brother or sister, half brother or sister, step brother or sister, adopted brothers and sisters or the child of the parent(s)/legal guardian(s) partner, but in every case the child should be living in the same family unit at the same address.
5. Children moving up from Year 2 at the main feeder school Brewster Avenue Infant School.
6. Children of parent(s)/legal guardian(s) who live in the vicinity of St Augustine's School otherwise known as the catchment area as defined on Peterborough City Council's website www.peterborough.gov.uk/admissions
7. Other, e.g. children applying from out of catchment that meet none of the criteria above.

In the event of over subscription in any category and/or in order to decide between two applications that cannot otherwise be separated, the school will use a clear and fair tie-breaker. Children living closest to the school (Distance Measurement) will receive higher priority.

Late Applications

Late applications are any application forms received by the Local Authority after its specified deadline date of 15th January 2020. Late applications will not receive an offer of a school place by the Local Authority on the National Offer day 16th April however; your application will be processed in the next round of allocations during w/c 18th May 2020.

Continuing Interest Lists

When an application is refused for the reason that the PAN for Year 3 has been reached, your child's name will be automatically placed on a continuing interest list for this year group, ranked according to the oversubscription criteria in this policy. This list will be revised:

- whenever a new application is received,
 - whenever the number of pupils in that year group falls below the PAN of 60,
 - whenever a child's name is removed from the continuing interest list, or
 - whenever there is a change of circumstances which affects the child's position on the continuing interest list
- i.e. a new application is received that meets a higher criterion than their own.

Parent(s)/legal guardian(s) are required to notify the school in writing if there are any changes of family circumstances which may affect their position on this list e.g. a house move.

Continuing interest list are held by the Local Authority but maintained by the School. Children's names will remain on this list until the last day of the Summer term; parent(s)/legal guardian(s) will then have the option to reapply the following academic year for a place. If a place does become available parent(s)/legal guardian(s) will be contacted immediately (usually by letter), by the LA Admissions Team and will have 10 days in which to indicate whether they wish to accept the place – this can be done by contacting the school direct.

Admission to other year groups/deferred entry to Year 3

Year 3 admission offers are made according to the child's chronological age. When a parent believes their child should be educated in a higher, or lower year group, e.g. if the child is gifted and talented or has experienced problems such as ill health, this must be discussed in the first instance with the Headteacher of the school.

Where a child is already attending a school a decision will be made based on the individual circumstance of the case and determined by the school following a discussion between the Headteacher and the parent. All accelerations and deferral decisions will be made by the Governing Body; a meeting will be held to consider the request and decisions made on the basis of the circumstances of each case and in the best interests of the child concerned.

Notes and Definitions:

The Governing Body have adopted the definitions used by Peterborough City Council in the following circumstances:

- Distance Measurement
- Proof of Address
- Parents who live separately
- Siblings
- Continuing interest list

For details of the full definitions please refer to the Guide for parents, published on the Peterborough City Council website: www.peterborough.gov.uk/admissions

Tie Breaker

In the event of over subscription in any category, children living closest to the school (Distance Measurement) will receive higher priority. This will be measured in a straight line from the child's place of residence to the school using the Ordnance Survey (OS) seed points computed by the Local Authority's measuring system www.peterborough.gov.uk/admissions

Distance Measurement

Distance is measured in a straight line using the Local Land Property Gazetteer (LLPG) provided from the seed point located at the child's home address to the seed point for the school. The seed point is taken from the ordinance survey's (OS) Address-Base dataset. It is used to locate individual residential and school addresses using grid references as seed points. The straight line measurement is used purely as a tie-breaker; it has no relevance to how you would walk to the school. Distance is not measured using Google or other similar apps.

In the case of flats, the priority is that of floor level i.e. ground, first, second etc. in that order. In cases of exactly the same measurement where no differentiation can be established, a lottery will be used to decide the allocation of the place.

Residency definition

The address you give should be the child's current permanent place of residence at the time of the application and the address of the parent or legal guardian with whom the child spends the majority of time during the school week. (Parent(s)/legal guardian(s) will be asked to produce evidence of residency/home address during the admissions process).

Proof of Address

As part of the school admission process and to ensure that offers of school places have been made fairly, St. Augustine's School is committed to following strict address verification procedures. If your child is offered a place at our school we will ask you to provide proof of address.

Parents who live separately

When parents live separately, the application must be based on the address at which the child usually lives. When parents live separately but the child lives with both parents at different addresses, the child's home address will be taken to be the address where the child lives for most of the week. If the child spends an equal amount of time with each parent, the address will be taken to be that of the main parent/carer eligible to receive Child Benefit and Child Tax Credit.

Sibling's definition

Siblings of children who are already registered on the school roll at the time of admission. By sibling we mean a brother or sister, half brother or sister, step brother or sister, adopted brothers and sisters or the child of the parent(s)/legal guardian(s) partner, but in every case the child should be living in the same family unit at the same address. Every effort will be made to ensure that twins and those from multiple births can attend the same school.

Applying for a place after the start of a school year, or for other year groups at the school

To apply for a place after the start of the school year, parent(s)/ legal guardian(s) should visit the Peterborough City Council website for information on how to make an application www.peterborough.gov.uk/admissions.

Vacancies in particular year groups may not always be available; please feel free to contact the school direct on 01733 563566 to discuss any queries or ask questions you may have. We kindly welcome parent(s)/ legal guardian(s) and children to visit the school for a tour prior to submitting an application. The Local Authority Admissions Team will process the application in accordance with the published arrangements and process and will contact the school to determine if a place is available in the requested year group. The school in return, will notify the Admissions Team of their decision to receive an offer. The LA Admissions Team will then write to the parent(s)/legal guardian(s), to confirm the details of the school at which a place is to be offered. Where the Admissions Team is unable to meet any preferences expressed by the parent(s)/ legal guardian(s), a place will be offered at the next nearest alternative school with places available.

Admission to other years groups following in-year admission

All in-year admission offers will be made according to the child's chronological age. When a parent believes their child should be educated in a higher, or lower year group, this must be discussed in the first instance with the Headteacher of the school.

Where a child is already attending a school a decision will be made based on the individual circumstance of the case and determined by the school following a discussion between the Headteacher and the parent.

Continuing Interest List

When an in-year application is refused, your child's details are automatically placed on a continuing interest list for the year group, ranked according to the oversubscription criteria. Their name will remain on this list until the last day of the Summer term in which the application was made.

Parent(s)/ legal guardian(s) will be contacted immediately (usually by letter), by the LA Admissions Team if a place becomes available for their child and have 10 days to indicate whether they wish to accept the place – this can be done by contacting the school direct. Parent(s)/legal guardian(s) should be aware that their child's place on the list may change if an application is subsequently received that meets a higher criterion than their own.

Fair Access

St. Augustine's Junior School participates in Peterborough City Council's Fair Access protocol. All schools, including Voluntary Aided Schools, Trust Schools and Academies must participate in the protocol. The purpose of the Fair Access Protocol is to ensure that vulnerable children are offered a school place as quickly as possible and to evenly spread children with additional needs across all schools in the county. The protocol only applies to mid-term applications; it does not operate when children transfer from primary school to secondary school.

Right of Appeal

Should a child be refused admission, parent(s)/legal guardian(s) have the right to appeal against the decision. An independent appeals panel will be set up to consider the appeal; parent(s)/legal guardian(s) will be kept informed of the procedures and will be invited to attend. Appeals will be heard by an independent appeal committee convened in accordance with the Code of Practice for Admissions. Appellants will be given the opportunity to attend the hearing of the appeal. Appeals should be sent in writing to:

The School Admissions Team
