A Message from Mrs Pierce

It was wonderful to welcome lots of Y2 children and their parents to St Augustine's on Wednesday evening. We tried to give them a taste of what makes St Augustine's so special and I hope they enjoyed their time with us.

I am pleased to tell you that I received many, many compliments about our wonderful children during the course of the evening. They were so welcoming and polite, and I was very impressed with how they spoke with confidence to our visitors about what they loved about our school. A huge thank you to them all, and to the parents who allowed them to attend - I am most grateful.

What's Cooking at St A's

We are on week 1 of the menu next week.

You should now be able to view and select your children's choice of meals when booking on ParentPay!

Our school **Christmas Lunch** is on **Friday 13th December** - more details to follow.

Children In Need

This year we will again be supporting Children In Need, which is on Friday 15th November. We are currently selling raffle tickets, at 10p a ticket, for a chance to win a fabulous knitted Pudsey and Blush bear. The bears were very kindly made and donated to us by Mrs Pierce's mum and we are very grateful for the time it took her to make these lovely bears.

On the day (Friday 15th) we are inviting the children to come to school in their sportswear for a £1 donation and we will also be doing Pennies for Pudsey again this year. So bring any loose change into school and each class will be asked to cover as many Pudsey faces as possible. Thank you for your continued support and we look forward to seeing all the children in their sportswear and Pudsey Merchandise on the day.

School Photos

The deadline for returning your school photograph orders is Friday 15th November - any orders being placed after that date will have to be made online with Kittle Photography and will be subject to a delivery charge!

Calendar Dates

- 11th Nov - Year 5 Swimming (week 2)

Next Week's Learning

w/c 11 th Nov	Maths	Literacy
Year 3	In Maths, both Year 3 and Year 4 will be continuing their work on mental and written methods for addition and subtraction.	Lower School will be continuing to learn the skills required to write an effective short story. They will build upon their work on sentence structure and how to vary their sentence lengths for effect.
Year 4		
Year 5	Year 5 will be learning to choose an appropriate mental or written method to complete problem-solving and fluency style questions based around division and multiplication.	Year 5 will start work on poetry by analysing the WAGOLL and using their senses to create powerful vocabulary.
Year 6	Year 6 will complete fluency and problem-solving questions involving fractions.	Year 6 will create powerful imagery using techniques such as metaphors, similes and personification before writing their own poems based on our topic book, Kensuke's Kingdom.
