A Message From Mrs Pierce

I have seen lots of great "Talk For Writing" work going on in lower school this week. If your child hasn't already given you a demonstration, please ask them for one, you will be impressed!

Many Y6 have begun their before school tuition in preparation for SATs this week. Many thanks to parents who have managed to get their Y6 child to school at 8.15am for these, and a huge thank you to the 15 members of staff who have volunteered their time to give our Y6 some extra support. It is hugely appreciated.

Access to School Premises

This is just a quick note to explain that the rear access gates (at Brewster Avenue and near the Church) will be closed and locked at 3:15pm every day. If you need to come into school after that time you will still be able to use the main front entrance (off Palmerston Road). Any collections from the after-school clubs at 4pm will also need to be made via this main front entrance.

Exemplar Education

If you have not already done so please remember to return your Exemplar Education slip into school (interested or not) so that we are aware you have received the leaflet. Many thanks.

What's Cooking at St A's

We are on **Week 3** of the menu next week. Please remember to select your children's choice of meals when booking on ParentPay.

Remember to book our special **Themed Lunch** in school on Tuesday 28th January to celebrate - **Chinese New Year**

Main - Sweet Chilli Chicken Stir Fry and Egg Fried Rice or Vegetable Chow Mein.

*Both served with Oriental Cabbage
(Jacket Potato will also be available to order)*

Dessert - Spiced Pineapple upside down cake

Cake Boxes

We still have a couple of cakes boxes left in school from your generous cake donations for the Christmas Fayre. If you are missing a cake box at home, please drop by the school office to collect it.

6th Feb - Glennie worship (in school)
10th Feb - Internet Safety Week
12th Feb - Parents evening 3-5pm
13th Feb - Parents evening 4-6.30pm

Next Week's Learning

w/c 20th Jan	Maths	Literacy
Year 3	In Maths, both year groups will be learning multiplication and division facts to solve problems. Year 4 will have a greater focus on using mental methods to solve division problems.	Lower School will be continuing their work on instructions. They will be using 'Talk for Writing' to support the understanding of the features of a set of instructions.
Year 4		
Year 5	Year 5 will continue to work on fractions. They will practice converting fractions to decimals and will also look at how to order and compare fractions with different denominators.	Year 5 will ensure they have a plan for their diary entry as they choose to write in role as one of the characters from our class book, Eliza Rose. They will then begin to write their diary entry, editing and improving it later in the week.
Year 6	Year 6 will take part in maths revision sessions before completing practice SATs papers in maths, reading and grammar. Year 6 will also make a start on their diary entry later in the week.
