## A Message From Mrs Pierce

I was extremely proud to attend the final of the Y6 English Challenge at the Town Hall this week to support our team. Only 8 Peterborough schools made it to the final so it was a wonderful achievement to be there. Our team did amazingly well, through several tricky rounds of questions and despite not winning, should be very proud of themselves. Many congratulations to Charlie, Joshua, Logan and Monika and thanks to the parents who supported them.

## What's Cooking at St A's

We are on **Week 1** of the menu next week. Please remember to select your children's choice of meals when booking on ParentPay.

Remember to book our special **Themed Lunch** in school on Tuesday 28<sup>th</sup> January to celebrate - **Chinese New Year**

*Main - Sweet Chilli Chicken Stir Fry and Egg Fried Rice or Vegetable Chow Mein.*

*Both served with Oriental Cabbage*

*(Jacket Potato will also be available to order)*

*Dessert - Spiced Pineapple Upside-down Cake*

## Year 3 & 5 Residential Trips

If you showed an interest in your child attending either the Year 3 - Rand Farm or the Year 5 - Boughton Woods Residential Trips, you should have received a letter home this week offering your child a place. Both trips are available to pay via ParentPay, if you need any assistance with this please call into the school office.

There are still a few places available on the Boughton Woods Trip; however, the Rand Farm trip is now full. We will notify parents of any children on the waiting list should a place become available.

## Year 4 Kingswood Residential

A space has become available on the Year 4 Kingswood Residential trip - 18-20<sup>th</sup> March, if you are interested in your child attending this trip please contact the school office.

12<sup>th</sup> Feb - Parents evening 3-5pm  
13<sup>th</sup> Feb - Parents evening 4-6.30pm

### Next Week's Learning

w/c 27th Jan	Maths	Literacy
<b>Year 3</b>	Year 3 and 4 will continue to use their multiplication and division facts to solve problems mentally.	Lower School will be using their 'Talk for Writing' work to write their own set of instructions. At first, they will learn the skills needed to write a set of instructions before applying the features to their own set of instructions on training a dragon.
<b>Year 4</b>		
<b>Year 5</b>	Year 5 will move onto adding and subtracting fractions. They will practice working out problems involving different denominators, using their knowledge from the last two weeks of learning.	Both year groups will ensure that their diary entries are finished and edited before moving on to biography writing. The children will begin to understand how a biography is structured and will start to practice writing techniques that they will include in their own biography about Henry VIII.
<b>Year 6</b>	Year 6 will consolidate their understanding of measures further. They will apply this knowledge to SAT style questions.
