## A Message From Mrs Pierce

Our action packed "Reading Fortnight" has come to a close today with a presentation from every class about their chosen author. Over the last two weeks we have had a Book Swish, a Slumber Party, a visit from well-known author Will Mabbitt and an Inter-House Book Quiz which was won by St Mark. Many thanks to Mrs Brattan who has co-ordinated the fortnight's events which have really raised the profile of reading across the school.

## Book Bus - EXCITING NEWS!

We are currently in the process of making the necessary arrangements for the Book Bus to be moved to its permanent location. You will soon see an area of the Paddock fenced off and groundworks will begin very shortly. To complete the groundworks there will be a few materials needed and we are putting the call out there to see if anyone can help; your support has been amazing so far and so we know what a resourceful bunch you can all be! If you know how we can source hard-core, paving slabs, cement and/or sand then please speak to Miss Boyer in the school office.

## What's Cooking at St A's

We are on **Week 3** of the menu next week. Please remember to select your children's choice of meals when booking on ParentPay.

## Data Collection Sheet

At some point this week, your child would have brought home a Data Collection Sheet. This sheet details the information we have on file for your child and it is vitally important that we check on a regular basis that the information is accurate.

I am sure you can appreciate how important it is that we have the correct emergency contact information for your children together with accurate email and postal addresses to ensure you are able to receive communication from the school.

**Even if there are no changes necessary, you must ensure you return the form to school.**

## Sport Relief - Friday 13<sup>th</sup> March

We will be supporting this worthy charity again this year; the children are welcome to wear their PE/Sports Kit for school for a £1 donation.

### Next Week's Learning

w/c 06 <sup>th</sup> Mar	Maths	Literacy
<b>Year 3</b>	In Maths, Year 3 will begin to investigate fractions, whilst Year 4 will continue their work on fractions of amounts.	In Lower School, the children will start to write their own non-chronological report. They will be learning how to use past tense verbs, how to use parenthesis to add extra information and varying sentence structure.
<b>Year 4</b>		
<b>Year 5</b>	In maths, Year 5 will be solving time-related problems. This will include recognising and telling the time on analogue and digital clocks and understanding the key vocabulary used in telling the time.	Having written an informal letter this week, Upper School will write a formal letter as Lord Camperdown, from our class book Eliza Rose, complaining about the conditions his daughter is facing at Trumpton Hall.
<b>Year 6</b>	Our Year 6's will solve ratio and proportion problems, applying skills they have learnt so far this year.
