

'Lockdown'

Eco Explorer Passport

Write or add a photograph in the box next to the mission to earn Mission Points.

I realise that you cannot do all of these missions during lockdown so you may need to be creative.

Mission: Material Use

1.	Make a bird feeder using only natural materials.	
2.	Switch to only using recycled paper and tissues.	
3.	Collect all your glass and take it to a bottle bank.	
4.	Only use non-plastic reusable bags.	

5.	Write a letter to a business or organisation with ideas on what they could do help the environment.	
----	---	--

Mission: Water Use

1.	Collect rain water-to-water plants.	
2.	Make a boat from natural materials to float on water.	
3.	Run around in the rain and splash in muddy puddles.	
4.	Find out what lives in a river or pond.	
5.	Visit a reservoir, lake or the seaside.	

Mission: Land & Wildlife

1.	Create a bug hotel for your garden or window ledge.	
2.	Make a butterfly feeder using recycled materials.	
3.	Make and plant pollinator seed bombs.	
4.	Visit a nature reserve or wetlands, to discover something new.	
5.	Take part in a national challenge with others, such as 30 Days Wild or the RSPB Wild Challenge.	

Mission: Enterprise

1.	Help take part in your weekly shop, consider ethically sourced foods as well as price/budget.	
2.	Enrol in Children's University.	
3.	Help Raise money for a good cause.	
4.	Visit somewhere to see how something is made or built.	
5.	Volunteer at an event and encourage others to join.	

Mission: Local Food

1.	Reduce food waste, you could compost or recycle what's left.	
----	--	--

2.	Grow something yourself and eat it in a meal, lunch or for a snack.	
3.	Cook something outside.	
4.	Try a new food from a different country or culture.	
5.	Visit a farm (this could be part of Open Farm Sunday)	

Mission: No Waste

1.	Use the right bins to recycle more.	
2.	Make something for your garden using recycled materials.	

3.	Donate unwanted clothes, toys etc to charity.	
4.	Always take a reusable water bottle out with you to refill.	
5.	Volunteer at a litter-picking event with three friends.	

Mission: Health & Happiness

1.	Eat your 5 a day regularly.	
2.	Work as part of a team to achieve a goal or challenge.	
3.	Spend a day outdoors doing physical activities.	

4.	Do one good deed for someone else each day.	
5.	Attend an achievement event like a Children's University Graduation.	

Mission: Transport

1.	Design your own environmentally friendly transport.	
2.	Make something using recycled materials, which can travel on its own.	
3.	Learn your road safety and demonstrate it on a regular basis.	
4.	Travel without using a car or bus for a whole day.	

5.	Visit a museum to learn more about transport of the future.	
----	---	--

Mission: Heritage & Culture

1.	Plot your own family tree	
2.	Make a mini time capsule about the world we live in.	
3.	Find out about the local history of where you live.	
4.	Watch a live performance.	
5.	Visit a local heritage site or historical landmark.	

Mission: Less Carbon

1.	Reduce your energy usage by making sure nothing is left on standby.	
2.	List how many electronic items there are in your home and reduce your electricity use.	
3.	Make a simple windmill.	
4.	Plant a tree.	
5.	Take part in a national event with others such as Earth Day or Earth Hour.	

Once you have completed 10 Missions or more send your 'Eco Explorers' Passport to Mrs Grange and you will receive your certificate.
