## A Message from Mrs Pierce

Welcome back to a new school year, after what has been a difficult few months!

It is fantastic to see everyone back, and to return to a new kind of normality. The adults in school have been extremely impressed with how well the children have adapted to our new ways of working, and we have had a brilliant first week. A particularly warm welcome to new families who have joined us, we look forward to getting to know you.

Our staggered starts and finishes have been successful and will continue, but can I ask parents of children in Y3 and Y4 to keep their children off the school site until 8.40am, if at all possible please. This will really help us to reduce congestion on the playground. Thank you.

With this week's newsletter, we are attaching some dates for your information. I'm afraid that for the time being, many of our usual events such as Class Worship and Cafes will not be able to happen for obvious reasons.

In this first weekly newsletter of the year, I would like to say a huge thank you to the wonderful team at St Augustine's who have worked exceptionally hard over the holidays to ensure that we have had a smooth and enjoyable start to the new school year.

As always, please don't hesitate to contact your child's class teacher if you have any queries or concerns about any aspect of your child's learning, however small they may seem. By working together, we can make sure that your child gets the very best education possible.

Thank you.

## Flu Vaccination Programme

It is vitally important that as many children as possible receive their flu vaccinations this year and the school nurse will be in school on Friday 13<sup>th</sup> November to administer the vaccination. Over the next couple of weeks we will receive information from the school nurse vaccination team and this will be circulated to you all.

Please keep an eye out for this communication, as it will request your consent for the vaccination and provide you with details of how to confirm this.
