As a Junior School, we focus on children's development throughout KS2, however we also work closely with local infant and secondary schools, to ensure transition to and from our school is effective. They will share our Christian and British Values, calling on strong interpersonal skills to work across the whole school community to ensure every child is supported and challenged to meet their full potential.

We anticipate the successful candidate will be working as a class teacher covering maternity leave 2 days per week, and tutoring small groups of children from across KS2 in English and Maths as part of our COVID catch-up drive on the remaining day.
